- Git (Version Control)
- Figma

WORK EXPERIENCE

Front-end Developer Intern   **January 2024 - April 2024**

SEED Studio - brand communication and design studio   Germany, Remote
Read recommendation letter

- Created and maintained websites for diverse clients, including fashion college, furniture company, art gallery and veterinary clinic.
- Worked extensively with **JavaScript, HTML/CSS and SASS** to develop and style web pages. Utilized **Bootstrap** for responsive design and **Wordpress** for content management.
- Adapted desktop designs to be fully **responsive**, ensuring optimal user experience across various devices and screen sizes.
- Participated in daily stand-up meetings with the team lead and project manager to present completed tasks and receive new assignments.
- Used **Git** for version control, managing code changes and collaborating effectively with the development team.
- Translated designs from **Figma** into functional web pages.

COURSES

Front-end Development | EPAM UpSkill   **November 2023 - June 2024**

- Developed practical skills in frontend technologies including **HTML, CSS, JavaScript, React, and TypeScript.**
- Completed **three projects** demonstrating proficiency in **frontend development and backend integration.**
- Achieved a **top 5** ranking out of 56 students **(top 9%)** in the midterm challenge.
- Implemented unit tests using **Jest and React Testing Library**.

JavaScript/Frontend-development | RS School   **November 2022 - March 2023**

- Enhanced skills in HTML, CSS, JavaScript, **algorithms, data structures**, and **DOM manipulation**.
- Completed several projects, including library website, music player, photo search app, and a game.
- Among the **top 12%** of students who successfully completed the course.

EDUCATION

Al-Farabi Kazakh National University   **2016 - 2020**

BA in English Language And Literature   Almaty, Kazakhstan
